Miele S7 Swing S7280 Upright Vacuum Cleaner Steel Blue Metallic

Manufacturer : Miele

Miele S7 S7580 Swing (Steel Blue Metallic) upright vacuum cleaner offers the same innovative and practical features as the basic Miele S7 models, including the unique swivel neck and 360 deg; caster wheels that let it maneuver quickly and easily, even around the tightest corners, the powerful 1200-watt motor and three on-board accessories. In addition, the Miele Swing S7 vacuum features electronic suction control with +/- pushbuttons and automatic setting, plus special silence setting, bright LED headlight and more to make cleaning anything from deep pile carpets to hard floors and from upholstery to curtains a breeze.

Maintenance-free LED headlight makes even the darkest corners easy to see and clean. Electronic suction control with +/- buttons and LED indicator. Automatic setting allows the Miele Swing vacuum cleaner to adjust suction power to best suit the type of flooring or carpet being cleaned. Silence setting combines the lowest noise output with the ideal power level for optimum cleaning results for even quieter use. Filter change indicator reminds you when to change the exhaust filter. Powerful, quiet 1200 watt motor with four-position rotary suction control at top of vacuum. Unique swivel neck 360&deg; caster wheels make it easy to move around furniture and other obstacles. The Miele S7 Swing upright vacuum cleaner can even lie flat against the floor to clean the most inaccessible spaces. Both the On-off switch for vacuum and motorized carpet-to-bare floor switch are on the handle. Convenient foot switch gently lifts the front of the Miele S7 Swing upright vacuum cleaner, to move easily from a hard floor to a rug. Intelligently positioned suction and bristles ensure excellent cleaning along walls and into corners. Spring-loaded bristles under the roller brush effectively clean different depths of carpet pile. Active HEPA filter captures and retains tiny, lung-damaging particles while absorbing odors. Miele's Active Air Clean Filter also can be used. 5.45 qt. Hyclean dustbag provides additional filtration and features a self-closing collar that automatically seals the bag as soon as the dust compartment lid is opened. Motor protection filter extends the life and maintains the performance of the Miele S7 Swing upright vacuum cleaner. Telescopic wand and hose reach up to 15 feet and lock in place for maximum stability while for cleaning high and hard to reach places. Ergonomic carrying handle at the back makes the Miele S7 Swing upright vacuum cleaner it easy to lift and carry. 55-foot cleaning radius so you never have to unplug and move to clean the room. On-board accessories stored in the back of the Miele S7 Swing upright vacuum cleaner include crevice nozzle, upholstery nozzle and dusting brush\$.00 SHIPPING call 800-696-8227 WITH ANY
