

Oreck Commercial Vacuum U2000 RB1 upright with Endurolife system

Model : OR-U2000RB-1

Oreck Commercial Vacuum U2000 RB1 upright with Endurolife system

Manufacturer : ORECK

Commercial Oreck Vacuum U2000 RB1 upright equipped with Endurolife belt system with over load protection. There are 3 new features on U2000RB1

1. Quick change cord assy that is now 40 feet long
2. Ergonomically Rear carry handle (easy to carry)
3. There is a skeleton in the outer bag that will prevent mis-shaping and sagging. Endurolife belt and overload protection stop the nuisance of belt breakage and replacement with it's belt fashioned after a automobile serpentine belt which last for years in your own automobile.
