Oreck Wet Dry Vacuum PT151SS

Manufacturer : ORECK

Oreck Commercial PT151SS wet dry Vacuum Cleaners. Wet dry commercial vacuums are perfect for the office or business. Commercial grade canister vacuum cleaners come in a variety of sizes. Vacuums move easily up and down stairs. No home, office, business or shop should be without one of these Oreck Commercial Canister Vacuum Cleaners. For wet or dry applications. These vacuums pick up tremendous amounts of wet or dry debris. Our Commercial models PT101 and PT151, in both enamel coat or heavy-duty stainless steel versions, boast 3.99 horsepower peak bypass motors, 86 water lift and 30' safety yellow, three-wire power cables. The smaller PT101 models have a 10-gallon capacity and ride on four 2.5 casters. The larger PT151 models have 17-gallon capacity tanks with 10-gallon wet recovery and a 1,456 square inch filtration surface, and move easily up and down steps with 8-inch rear wheels and two front casters. Convenient storage basket for tools. PT151SS Wet/Dry Vacuum 17-gallon capacity Stainless Steel Dump Valve; Oreck® Commercial Grade Dry Vacuum — with power nozzle/high speed revolving brush. For some commercial and industrial cleaning jobs you need a canister vacuum cleaner that stands up to the toughest demands possible. Superior suction cleaning ability comes from its dual, multi-stage turbine motor. It draws out soil from deep in the carpet, through double filtration, into an oversized, half-bushel filter bag. All-steel cage stores 10-foot hose. Used by hotels throughout the U.S. Includes 10-foot hose, chrome-steel wands, upholstery nozzle and wall/floor dusting brushes as well as an L-shaped 17 power nozzle. 20 high and 14 in diameter. call 800-696-8227 WITH ANY QUESTIONS
