Powerlux Central Vacuum

Model : Powerlux

Powerlux Central Vacuum

Manufacturer : Johnny VAC

The JohnnyVac Powerlux is identical to the Condolux except it is much bigger. They share the exact same motor and filtration system. With its 110H20 inches of suction it can support up to 4 inlets for maximum cleaning power. With its 2 stages filter system including a multi-ply paper bag and a self-cleaning filter, this unit will require 1 or 2 service a year only. JohnnyVac Lux serie is a high quality product on the central vacuum market. Model Number POWERLUX
