A IQAir Health Pro Plus IQAir room air purifier

Manufacturer : IQAir

Health Pro Plus #1 for Allergies and Asthma The HealthPro Plus is IQAir's best selling room air purifier. It combines four advanced filtration technologies to effectively remove a large variety of particulate and molecular air pollutants. Due to its wide effectiveness range it is equally well suited for health conscious individuals as those suffering from a range of respiratory ailments. The molecular effectiveness makes this device also suitable for asthma sufferers, as asthma sufferers are often sensitized to molecular irritants, as well as allergens. The HealthPro Plus has received more #1 reviews than any other air purifier.
