Oreck Crystal Aroma II rugs carpets cars closets basements

Manufacturer : ORECK

Oreck Crystal Aroma II is a natural crystal, not a powder, and it's designed to freshen wherever you place it: rugs, carpets, cars, closets, basements, even your vacuum bag. Because it's a crystal, it won't cake up in your vacuum, clog your vacuum bag, or cloud the air like a powder can. It effectively eliminates musty and stale air caused by pet odors, smoking, cooking, mildew, and more. It will also help eliminate static electricity and is non-toxic to people and pets. A great value: each can will refresh over 25 rooms! DIRECTIONS: Open small hole in top. Shake Crystal Aroma IITM lightly over carpet or area to be freshened. Sprinkle sparingly. Wait a few minutes and vacuum up, or leave the crystals in carpet - when you walk on the carpet, the fragrance is released into the air.
