Manufacturer : Miele

Miele designed the S516 vacuum cleaner just for homes with pets, with the power and tools you need to remove pet hair and dander from carpets, rugs, hard floors, stairs and other tight places. STB 101 Handheld Turbobrush is excellent at removing pet hair and dander from furniture and stairs. Motor-driven SEB 217-2 powerbrush deep cleans carpets to remove pet hair and dander. SBD 285-2 Floor Tool provides excellent hard floor cleaning. An upholstery tool, dusting brush and crevice nozzle store in a caddy on the machine, allowing for quick access when cleaning furniture and tight corners. An Active Air Clean Filter absorbs odors to help remove pet smells as it keeps pet hair, dust and dirt from leaking out of the vacuum. An optional certified H.E.P.A. Active Filter is available. Includes direct connect, internally wired wand and mating electrified hose. 1200 Watts of power increases airflow to 140 cubic feet per minute allowing superior cleaning ability and making the removal of dirt and debris easy. Six-position electronic suction adjustment allows for optimal cleaning on any flooring surface. All three wheels and the hose swivel 360 degrees for incredible maneuverability and ease of use. Unique Miele Vacuum Park System makes starting and stopping easy. A special clip allows you to stand the telescopic extension wand at the back of the machine thus eliminating bending for retrieval. Warranty: 7-year suction motor; 1-year all non-wearing components. call 800-696-8227 WITH ANY QUESTIONS
