Emer Michelangelo Dry commercial vacuum cleaner Stainless Steel

Manufacturer : Emer

Emer Michelangelo Dry commercial vacuum cleaner Stainless Steel All Emer commercial vacuum cleaners have superior suction and are designed for quiet operation with long lasting motors. Emer's professional vacuums come with an one-year motor warranty. They are a perfect solution for both dry and wet vacuum applications for the industrial or office workplace. The "dry" commercial units have extraordinarily powerful motors and capacity. The "wet" vacuums are perfect for water spills in garages and basements. No other commercial vacuum offers such power and flexibility for such a reasonable cost. Michelangelo Dry Stainless Steel Features Are: Lightweight drum - only 8 lbs. 5.25 gallon capacity Powerful 1300 watts motor Blower function 90 inch water lift Stainless steel drum Polyurethane form filter Flexible standard hose Extension Wand Carpet/hard floor nozzle 1 speed 33 ft. cord Crevice tool Upholstery tool Carry handle 1 year motor warranty call 800-696-8227 WITH ANY QUESTIONS
